

# INFINITY

ski & golf resort

## Overview

The Infinity Ski and Golf is comprised of 140 apartments.

Positioned on an eminence overlooking the golf course, 6 minutes from Bansko's gondola lift, the location of the development is fantastic.

Mixing modern design, high technology, and traditional style, Infinity project is mainly made of rock and wood, with its red Bansko roof. The large windows will give an unprecedented edge to the style of the building and the exclusive duplex apartments will transform your life style.

Interior design combines selected apartment layout, intelligent space of living and high quality of finishing. Award winning property developer for Best Apartment 2006, you can be sure buying an apartment in the Infinity project will make the difference.

With many facilities on offer with the project, your apartment will have all the assets needed to attract tourist all year around.
