

White Pearl – your gem on the black sea coast

White Pearl is a luxurious residence of 51 exclusive apartments, set in a peaceful location at the beach of Kavarna. Sweeping panoramic sea views from all apartments, romantic private gardens with open-air Jacuzzis and incusted barbeque and luxurious finishing topped up with exclusive location are the dominant features that set the project aside.

The residence is ideally located, with its proximity to PGA golf courses, the city and international airport of Varna and right by the modern yacht port of Kavarna. White Pearl comprises of one and two bedroom apartments all providing unobscured sea views. To create the home of your dreams clients can select the style of finish to suit their taste. Individual style furniture packages are also available.

White Pearl offers that perfect mix of modern comforts and tranquil nature that makes being outside your home as comfortable as being inside. With activities varying from professional golf tournaments to busy rock fests, to international art festivals, the charming city of Kavarna attracts the attention of vacationers and investors.
